Bay County
Tourist Development Council

April 30th, 2019

Tourist Development Council
Bay County, Florida

Council Members:

Attached please find statistical and graphical reports for the six months ending March 31st, 2019. Reports included herein include the following:

1. The "Cash Collection Analysis" report reflects actual dollars collected for the period and may include monies for past due taxes from previous reporting periods. This is typically the result of enforcement actions and/or payments against delinquent accounts.
2. The "Cash/Accrual Breakdown" represents the attribution of collected revenue. As collection is an ongoing process, numbers will change as earnings are applied to the period in which they were earned.
3. Statistical and graphic data are presented in accordance with guidelines established by Florida Statute and are based on Gross Rental Receipts reported.

Please be advised that there are inherent limitation to these reports that include but are not limited to:

1. All information is unaudited.
2. Statistical and graphic reports are only for Panama City Beach as Mexico Beach and Panama City have limited property counts.
3. "Gross Receipts" represent only one element in the calculation of the taxes owed.
4. Third party data obtained to provide enhanced statistical data, such as bedroom count, is outside these regulations.
5. All statistics are based upon tax returns that have been submitted and paid, even when there is no income to report. Statistics are subject to change due to subsequent collections and future enforcement action.
6. Unit counts for hotels, motels, and miscellaneous properties are obtained from representatives of those properties.
7. Miscellaneous properties include campgrounds, apartments, duplex / multifamily and timeshare properties.

If I can be of further assistance to the Council, or should you wish to discuss this report further, please do not hesitate to contact me.

Sincerely,

Bill Kinsaul

Clerk of Court and Comptroller
